

Our Philosophy

We have an inclusive philosophy and believe passionately in giving every learner the opportunity to succeed in their personal, social, health and academic development.

Our Vision

Our vision is as a Centre of Excellence in enabling all pupils':

- **Positive Behaviour Change and Self-Management**
- **Re-engagement in their education**
- **Support in continuity of their statutory education when not able to attend mainstream school.**

Our Mission

Our mission is to:

- **Raise the aspiration of all pupils**
- **Educate them to acquire the knowledge, skills and attitude to realise their aspirations**
- **Enable them to develop personal resilience and perseverance to achieve their goals**
- **Enable partnerships of excellence in continuity of education for all pupils.**
