We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Children Act 1989
- Police Act 1997
- Police Act 1997 (Criminal Records) Regulations 2002
- Education Act 2002
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Education and Inspections Act 2006
- Children and Young Persons Act 2008
- Police Act 1997 (Criminal Records) (No. 2) Regulations 2009
- School Staffing (England) Regulations 2009
- Equality Act 2010
- Education Act 2011
- Protection of Freedoms Act 2012

The following documentation is also related to this policy:

- Dealing with Allegations of Abuse against Teachers and other Staff: Guidance for Local Authorities, Headteachers, School Staff, Governing Bodies and Proprietors of Independent Schools (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)
- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children

We believe an allegation is best defined as a claim or assertion that someone has done something illegal or wrong, typically one made without proof. It could be information that comes to light suggesting an employee, a volunteer or a contractor 'may have hurt or harmed a child, or possibly committing a criminal offence against a child or has behaved in such a way towards a child or young person that indicates they would pose a risk of harm to children if they continue their current employment or in any capacity which involves working with children.'

We recognise that anyone who comes into contact with children such as the Headteacher, teaching staff, support staff, volunteers and contractors are vulnerable to accusations of abuse.

We acknowledge that dealing with allegations is a stressful, demanding, complex and delicate process for all involved. But we will ensure that all allegations will be taken seriously and investigated immediately and impartially in order to provide instant and effective protection for the child concerned and to provide support for the person who is the subject of the allegation. 'The procedures for dealing with allegations need to be applied with common sense and judgement. The following definitions will be used when determining the outcome of allegation investigations:

- **substantiated:** there is sufficient evidence to prove the allegation;
- **malicious:** there is sufficient evidence to disprove the allegation and there has been a deliberate act to deceive;
- **false:** there is sufficient evidence to disprove the allegation;
- **unsubstantiated:** there is insufficient evidence to either prove or disprove the allegation. The term, therefore, does not imply guilt or innocence;

- **unfounded:** where there is no evidence or proper basis which supports the allegation being made.

(Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE))

We will ensure that any contractor, or any employee of a contractor, who is to work at school, will be subjected to the appropriate level of DBS check. We will not allow any contractor who has not been checked to work unsupervised. The identity of all contractors will be checked on arrival at school.

We will ensure that an allegation made against a contractor or any employee of a contractor will be investigated by the Headteacher and Designated Safeguarding Lead in the same way as investigating an allegation against a teacher, a member of support staff or a school volunteer.

In the case of an allegation being made against the Headteacher we will ensure the investigation will be conducted by the Chair of the Management Committee who will discuss the allegation with the designated officer.

We wish to create a culture of openness that will allow children and school personnel to make truthful reports of any inappropriate behaviour and in the knowledge that all allegations will be taken seriously.

We encourage all school personnel to protect themselves against false accusations by treating all children with dignity and respect, and to ensure that they never work alone with a child, always maintaining a safe and appropriate distance, avoiding physical contact and being cautious when dealing with sensitive moments.

We must ensure that school personnel do not suffer unnecessarily when false allegations have been made against them and that their careers are not wrecked.

We believe it is our duty to establish the reason why pupils make false allegations against school personnel and to put into place support procedures to help pupils overcome any problems they may have.

We understand that we have a legal duty once an allegation has been to undertake a full investigation, to record the decisions reached and action taken.

We believe allegations against staff can be minimised by having in place safer recruitment strategies, appropriate induction and training, an open and transparent safeguarding ethos, a professional code of conduct, regular staff briefing and discussion of safeguarding issues, and by ensuring that pupils are aware of safeguarding issues through PSHE.

We as a school community have a commitment to promote equality. We believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
